2017

Course Directors: Jan Marek (London), Folkert Meijboom (Utrecht), Luc Mertens (Toronto)

The 12th European Echocardiography Course on Congenital Heart Disease will be organised in Prague, from Sunday October 1st to Wednesday October 4th 2017.

This course is aimed for pediatricians and cardiologists as well as sonographers with interest in congenital heart diseases by providing an extensive overview on Echocardiography in Congenital Heart Disease. The program is built as side-by-side comparisons of morphology and imaging, addressing all the major abnormalities encountered in clinical practice. The course prepares for the accreditation examination for “Congenital Heart Disease Echocardiography” organised by the ESC-EACVI and AEPC.
